ESTABLISHED IN 1976 (we'll celebrate our 40th anniversary next year), DMA is a group of Dayton-area professionals and hobbyists in the field of computing and information technology. General membership meetings are usually on the last Tuesday of each month. DMA has a number of Special Interest Groups (SIGs) in areas ranging from digital investing and genealogy to the Linux operating system. Each SIG meets according to its own schedule. DMA is a member of the Association of Personal Computer Users' Groups (APCUG) and the Affiliated Societies Council (ASC). Click on any of the logos—including our own (top left)—to go to that organization's Web site.

Submissions ...

THE DATABUS welcomes compliments, complaints, suggestions, and especially articles. We can accept articles in ASCII, or as attachments in Microsoft Word or Works, Open Office Writer, Word Perfect, or, yes, even WordStar (a word-processing program that goes all the way back to the 1980s!). We can now also accept PDF files. Send articles to:

Editor@DMA1.org

All articles are subject to editing for spelling, grammar, usage, and space. Always retain a copy of your work, as THE DATABUS cannot be responsible for loss. When articles are of roughly equal quality, those by paid-up DMA members usually receive preference.

ALL REGISTERED TRADEMARKS, for example: DMA, Keypass, or Microsoft Word, are the property of their respective owners. However, for better readability, the Registered Trade Mark symbols (® or ™) have been omitted. The Editor occasionally inserts comments into articles. Such comments are usually in square brackets [like these] and are always preceded by the phrase: "EDITOR'S NOTE."

THE DATABUS is written and published by volunteers. We do not give professional advice on computer, network, or software installation, troubleshooting, or repair. If you need expert assistance, please seek the services of a competent professional.

MINUTES are usually published almost *two months* late. This is because the Minutes for, say, the November Board meeting must be approved by the Trustees at the following month's meeting—in this case, early December. The corrected and approved November Minutes will thus appear in this (December) issue, published toward the end of the month. The next Trustees' meeting will be on January 4 2016 at the **Chestnut Street Community Room of the Greene Shopping Mall**. The meeting begins at 7:00 P.M. (Click [here](#) for a map.)

Records Committee—Debra McFall, Gladys Campion, Eric Ottosan, Wynn Rollert, Martin Arbagi

There is agreement that we should save the past ten years of records, plus any records important for our history. We need to define which documents to keep. At our next meeting, we will examine several boxes of records. Suzette de Guzman has offered some free storage space in Englewood or Middletown.

Wright State Archives—Martin Arbagi, Gladys Campion

Eric offered to scan old issues of THE DATABUS. There was a question of scan format. Eric will check current formats to see if it would be better to let Wright State do the scanning. We could easily download copies once they are posted by WSU.
